CRUISE & MOUNT EDGCUMBE COMBINATION TICKET

Available exclusively for coach tour operators and group bookings, our Scenic & Naval Harbour Cruise also provides an option for passengers to depart early and visit the village of Cremyll and Mount Edgcumbe Country Park. The former home of the Earls of Mount Edgcumbe, one of the region's most popular tourist destinations.

Surrounded by formal gardens and set in a Grade I listed landscape, the country park covers 865 acres of the Rame Peninsula in South East Cornwall. Built nearly 100 years before the Mayflower set sail in 1620, the Tudor style mansion stands at the top of an equally ancient double avenue of trees.

The Edgcumbe family can trace their ancestry back over 600 years. Piers Edgcumbe married Joan Durnford in the 15th century and acquired the land on which Mount Edgcumbe now stands.

In 1515 King Henry VIII issued a license to impark the lands and over 500 years later descendants of the original herds of fallow deer can be seen roaming in the Deer Park.

RIVER YEALM CRUISE

A stunning, two-hour cruise that takes you on a scenic journey beyond Plymouth Sound to the tranquil waters of the River Yealm, on the South Devon Heritage Coast. Nestled within an Area of Outstanding Natural Beauty and with the chance of spotting some wonderful local wildlife, the Yealm Estuary is also a site of Special Scientific Interest and a European Special Area of Conservation.

BREAKWATER CRUISE

A real treat, this cruise takes in all the wonders of Plymouth Sound and beyond! Experience Plymouth Hoe, Drakes Island and the River Tamar on the water, as we journey on along the scenic Cornish Coast, passing the historic smuggling villages of Cawsand & Kingsand.
