Easter Egg Hunt

Follow the map

The Easter Bunny has been busy leaving mini chocolate eggs for you to find around Plymouth City Centre, and to help you find them he has marked their locations using some of your favourite children's characters.

Simply follow the map to find the characters on giant eggs in city centre shop windows and with each one found, go in store to collect your free mini chocolate egg – with 16 to collect – that's a lot of chocolate!

Name the Cell-

- | | | | | | |

| 2 | | 6 | | 10 | |
| 3 | | 7 | | 11 | |
| 4 | | 8 | | 12 | |

But be quick! There are only 200 mini chocolate eggs in each store and once they're gone, they're gone!

The Cel-eggrity Easter Egg Hunt runs from 8 April 2019 to 12 April 2019.
