Britain's Ocean City

Military Discount Guide

Plymouth, Britain's Ocean City, welcomes you to the South West's premier port of call

Home to the UK's first National Marine Park, Plymouth is a true gem nestled away in the South of Devon. The city is surrounded by spectacularly breath-taking natural backdrops on the border of Cornwall and a stone's throw from the wildness of Dartmoor National Park.

Plymouth has sailing in its blood as the Pilgrims left Plymouth aboard the Mayflower to discover the new world of America on 6th September 1620. The city and surrounding areas are steeped with history, culture and leisure. You'll find quaint cobbled streets with funky independent shops, galleries and award-winning restaurants along The Barbican.

There's plenty to keep you busy on a rainy day such as The Box, Plymouth's new major museum, art gallery and archive, or the National Marine Aquarium, the largest aquarium in the UK.

Visit Market Hall in Devonport to see the Immersive Dome, the first of its kind in Europe, plus a not to be missed tour of the oldest gin distillery in the UK, Plymouth Gin.

Plymouth Military Discount Guide

Foreword by **Councillor Mark Shayer**

I am delighted to announce that Plymouth, Britain's Ocean City has set up its own Armed Forces Discount Guide to support our local armed forces community; serving personnel, reservists, veterans and war widows who live in the city*.

The scheme is also extended to include the many visiting Armed Forces personnel whether this is by sea, land or air.

As a city, Plymouth has a long standing military heritage, but also a rich history of being friendly and welcoming.

Our scheme is a win-win situation for both the Armed Forces community and local businesses, recognising the city's significant military community, giving thanks for their service by offering a scheme which benefits

local businesses, helping to sustain our city centre and bring them new customers.

Additionally the discount scheme reflects community integration and networks, encouraging serving personnel and veterans to trade locally, utilise independent businesses and spend time in our local area.

*Proof of service is required. E.g. military ID.

Cabinet Member for Finance and Economy
