European Cyber Awareness Month

The South West Regional Cyber Crime Unit is a section of the police which offers free cyber security advice and guidance to organisations across the region. In the spirit of European Cyber Security Month, we've highlighted 5 simple things you can do to enhance your cyber security. To find out more, [click here](#)

The Digital Inclusion Fund

Inclusion Fund aims to support projects designing, researching or delivering digital inclusion programmes with a focus on older and/or disabled people. The projects must include something new, creative and innovative within their approach to tackling digital exclusion. To find out more, [click here](#)

Business Help Required - What additional support is needed for Cybersecurity?

The Department of Digital, Culture, Media and Sport (DCMS) and the National Cyber Security Centre (NCSC) have asked us to find a number of SME businesses to help them understand how to better support businesses on matters related to cybersecurity. The project in question is focused on how micro and small businesses could be encouraged to update their software. To find out more, [click here](#)

Unlocking Potential for Businesses

Seminars-Free training spaces available

We have a limited number of funded places at a free training seminar for businesses within Plymouth and the surrounding area. This free training will be delivered by a team of DWP experts, and will cover topics such as the Equality Act, the Access to Work scheme and how you can (with our help) employ people with disabilities and health conditions. To find out more, [click here](#)

Green light to work up transport plans

A multi-million pound package of schemes to help people get to and from work in Plymouth and the wider travel to work area more easily and more quickly has been shortlisted for funding by the Department of Transport. To find out more, [click here](#)

Join Co-cars and enjoy great value car hire by the hour or day!

Co-cars has a network of zero/low emission cars across the South West, all of which are bookable 24/7 using smartphone technology and can be hired by the hour or day for a fraction of the cost of owning or leasing. To find out more, [click here](#)

Free Adult Cycle Training , cycle groups and Walk and Talk. Plymotion is working with companies to promote sustainable travel and encourage staff to be more active on their journey to work. Have a look at our web pages and our latest business newsletter which you can find [here](#).
