Road: There is plenty of on road parking around the located premises, but unfortunately due to the location of the property (city centre) the car parking spaces require payable permits. The permits cost an additional fee of £4.00 per day, if you are staying for a week or longer, you will receive a discount as agreed with Louise Lewis Property Limited. These permits should have been paid prior to arrival – however should you have not requested one but wish to now, get in touch with a member of staff. The benefit of this permit is that it allows you to park anywhere around the city centre, Plymouth Hoe, Millbay, Barbican and more, all Free Of Charge. Please see a separate a map of the designated parking areas within this welcome book for your own reference – ZONE H

Bus: Royal Parade is located just down the hill, within a 5 minute walking distance, with one of the busiest bus routes you can use in Plymouth as there are main links to this specific area from surrounding districts of the city. When you walk out of Stags Corner, turn left and at the end of the road turn right, walk down the hill and follow this road to the main road. Look for the traffic light crossing to your left and from there follow this straight into the city centre, you cannot miss it!!!!
