2020 Events

Visitors can look forward to a series of unique experiences through our Mayflower 400 events programme. In November 2019 and 2020 the Illuminate Festival will open and close the commemoration, with a range of digital and light based art reaching across the city. Plymouth’s new heritage trails will launch in February, highlighting our exceptional history ranging from the Mayflower, Darwin and Drake through to our post war reconstruction.

In September a week of activity will bookend the Mayflower Ceremony, which will mark the 400th anniversary of the Mayflower’s departure to America. This includes the Mayflower Muster, a major military two-day event recognising the special relationship between the UK, US and Netherlands. These highlights sit within a wider programme incorporating over 150 events through the commemoration year, making it the perfect time to visit Plymouth.
